WORK EXPERIENCE

Event Safety Lead

2020-2023

Charity Events Group

- Led safety operations for over 50 charity events, focusing on participant safety and compliance.
- Developed safety plans tailored to the specific needs of non-profit events.
- Collaborated with community partners to enhance safety measures and protocols.
- Trained volunteers and staff on safety guidelines and emergency procedures.
- Monitored event activities to ensure adherence to safety regulations.
- Achieved a 100% compliance rate during safety audits conducted by regulatory bodies.

Safety Coordinator

2019-2020

Community Charity Festival

- Assisted in the development and execution of safety protocols for annual charity festivals.
- Conducted risk assessments to identify potential hazards associated with fundraising events.
- Collaborated with local authorities to ensure effective emergency response planning.
- Facilitated safety training for volunteers and staff prior to events.
- Monitored compliance with safety regulations throughout event duration.
- Contributed to increased community trust and participation through effective safety communication.

ACHIEVEMENTS

- Recognized for outstanding safety leadership by the National Non-Profit Safety Association.
- Implemented a safety initiative that increased volunteer engagement by 40%.
- Successfully managed safety operations for events raising over \$1 million for charity.
