WORK EXPERIENCE

International Assessment Manager

2020-2023

Global Education Assessment Organization

- Oversaw the administration of international assessments for over 100,000 students in multiple countries.
- Collaborated with local educational authorities to ensure culturally relevant assessments.
- Utilized data analytics to monitor assessment performance and inform policy decisions.
- Trained staff on best practices for international assessment administration.
- Ensured compliance with international educational standards and regulations.
- Developed partnerships with international organizations to enhance assessment practices.

Assessment Development Officer

2019-2020

International Testing Services

- Developed assessments for international educational programs, ensuring alignment with global standards.
- Conducted research on best practices in international assessment methodologies.
- Collaborated with experts to create assessments that reflect diverse educational contexts.
- Analyzed assessment data to improve tools and enhance student performance.
- Facilitated training sessions for educators on international assessment strategies.
- Promoted equitable assessment opportunities for all students, regardless of background.

ACHIEVEMENTS

- Increased international student pass rates by 30% through improved assessment practices.
- Recipient of the Global Education Leadership Award for contributions to international assessment development.
- Successfully led a project to standardize assessment practices across multiple countries.
