

MICHAEL ANDERSON

SENIOR EXHIBITION CARPENTER

PROFILE

Highly skilled Exhibition Carpenter with a focus on sustainable practices and innovative design solutions. Over eight years of experience in crafting bespoke exhibition spaces that not only engage viewers but also reflect environmental consciousness. Proven ability to work under pressure and adapt to rapidly changing client needs while delivering projects on time and within budgetary constraints.

EXPERIENCE

SENIOR EXHIBITION CARPENTER

EcoDisplay Solutions

2016 - Present

- Designed and constructed eco-friendly exhibition stands using sustainable materials.
- Implemented green building practices to reduce waste and environmental impact.
- Collaborated with designers to ensure alignment of artistic vision with sustainable solutions.
- Managed logistics for the assembly and disassembly of displays at multiple venues.
- Conducted workshops on sustainable carpentry practices for team members.
- Evaluated and sourced materials for cost-effectiveness and sustainability.

EXHIBITION CARPENTER

Innovative Displays Inc.

2014 - 2016

- Constructed unique exhibition setups that enhanced visitor interaction.
- Worked closely with project managers to streamline the workflow and improve efficiency.
- Utilized modern carpentry techniques to create striking visual displays.
- Provided technical support during the installation and dismantling phases.
- Maintained a safe working environment by adhering to industry safety standards.
- Assisted in training new carpenters on eco-friendly practices and techniques.
