# MICHAEL ANDERSON

## EXHIBITION PROJECT MANAGER

Accomplished Exhibition Carpenter with a rich history of successful project execution across a variety of high-stakes environments. Over twelve years dedicated to the exhibition and event industry, fostering a deep understanding of client requirements and delivering exceptional results. Expertise in transforming conceptual designs into immersive experiences through meticulous craftsmanship and innovative construction methods.

## **PROFESSIONAL EXPERIENCE**

### **Global Exhibits Group**

*Mar 2018 - Present*

#### Exhibition Project Manager

- Oversaw the complete lifecycle of exhibition projects from conception to execution.
- Coordinated cross-functional teams to ensure seamless project delivery.
- Developed detailed project plans, timelines, and budgets for multiple exhibitions.
- Implemented quality control measures to maintain high standards of craftsmanship.
- Engaged with clients to refine project specifications and ensure satisfaction.
- Conducted post-exhibition reviews to capture lessons learned and improve future projects.

### **Prestige Displays**

*Dec 2015 - Jan 2018*

#### Senior Exhibition Carpenter

- Constructed high-end exhibition booths for luxury brands and events.
- Collaborated with design teams to create visually stunning installations.
- Utilized CNC machinery to achieve precision cuts and intricate designs.
- Supervised a team of carpenters and assisted with training programs.
- Maintained inventory of materials and tools, ensuring project readiness.
- Enhanced client relationships through personalized service and attention to detail.

## **ACHIEVEMENTS**

- Received the 'Best Exhibit Design' award at the International Trade Show.
- Successfully managed a project that came in 15% under budget while maintaining quality.
- Recognized for exceptional leadership skills in managing diverse teams.
