

# MICHAEL ANDERSON

Forensic Psychologist

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

I am a committed Experimental Psychologist with a specialization in forensic psychology, bringing over nine years of experience in researching the intersection of psychology and the legal system. My expertise includes conducting psychological evaluations and providing consultation for legal cases, focusing on criminal behavior and mental health assessments. I have worked alongside law enforcement agencies and legal professionals to provide insights that inform investigations and court cases.

## WORK EXPERIENCE
