# MICHAEL ANDERSON

## LEAD EXTERIOR WOODWORK TECHNICIAN

Proficient Exterior Woodwork Technician with a robust background in outdoor wood applications and maintenance. Expertise lies in the installation and preservation of wooden structures in residential and commercial environments. Demonstrated ability to adapt to diverse project requirements while maintaining a strong focus on safety and quality. Strong collaborative skills with a history of working closely with clients, architects, and construction teams to ensure project specifications are met.

## **PROFESSIONAL EXPERIENCE**

### **Green Building Solutions**

*Mar 2018 - Present*

Lead Exterior Woodwork Technician

- Oversaw the installation of wooden decks and patios, enhancing outdoor living spaces.
- Evaluated site conditions and provided recommendations for optimal wood types.
- Implemented safety protocols that reduced workplace incidents by 50%.
- Coordinated with the design team to ensure compliance with client visions.
- Conducted routine maintenance checks on installed structures to ensure longevity.
- Managed inventory and procurement of materials to optimize costs.

### **Outdoor Innovations Inc.**

*Dec 2015 - Jan 2018*

Woodwork Installer

- Installed a variety of outdoor wood structures to enhance aesthetic appeal.
- Provided expert advice to clients regarding wood care and maintenance.
- Ensured compliance with local building codes and regulations.
- Performed quality control inspections post-installation to guarantee satisfaction.
- Collaborated with subcontractors to ensure cohesive project execution.
- Maintained detailed records of project progress and client communications.

## **ACHIEVEMENTS**

- Achieved the highest client referral rate in the company for two consecutive years.
- Reduced project delivery times by 20% through improved workflow processes.
- Successfully completed over 150 outdoor projects with exceptional client feedback.
