

MICHAEL ANDERSON

Residential Woodwork Specialist

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

Dedicated and skilled Exterior Woodwork Technician with a focus on enhancing residential properties through high-quality woodwork installations. Expertise in the design and execution of custom wood solutions that elevate the aesthetic appeal and functionality of outdoor spaces. Demonstrated ability to effectively manage project lifecycles, from initial consultation through to completion, ensuring client satisfaction throughout.

WORK EXPERIENCE

Residential Woodwork Specialist | Quality Woodworks Inc.

Jan 2022 – Present

- Designed and installed custom wood features for upscale residential properties.
- Consulted with clients to capture their vision and preferences for woodwork.
- Utilized both traditional and modern techniques to enhance design appeal.
- Managed all aspects of project execution, ensuring quality control.
- Maintained communication with clients throughout the project lifecycle.
- Provided post-installation care instructions to clients for longevity.

Woodwork Intern | Heritage Woodworks

Jul 2019 – Dec 2021

- Supported senior technicians in the creation of custom woodwork.
- Learned about client consultation processes and project management.
- Assisted in maintaining tools and ensuring workspace safety.
- Participated in site visits to understand project requirements.
- Contributed ideas during design meetings for future projects.
- Engaged in hands-on training to develop technical skills.
