SKILLS

- Heavy Fabrication
- Structural Metalwork
- Welding Techniques
- Safety Management
- Team Leadership
- Quality Assurance

LANGUAGES

- English
- Spanish
- French

EDUCATION

**DIPLOMA IN STRUCTURAL
ENGINEERING, TECHNICAL INSTITUTE,
2015**

ACHIEVEMENTS

- Achieved a 98% client satisfaction rating for completed projects.
- Recognized for leading a project that resulted in a 20% increase in production capacity.
- Received the "Safety Excellence Award" for outstanding safety performance in the workplace.

WORK EXPERIENCE

LEAD FABRICATION FITTER

Structural Solutions Inc.

2020 - 2025

- Led a team of fabricators in executing large-scale structural projects on time and within budget.
- Interpreted blueprints and specifications to determine project requirements and materials.
- Utilized various welding techniques to construct and assemble heavy structural components.
- Conducted regular safety audits to uphold workplace safety standards.
- Mentored junior fitters, enhancing their skills and knowledge in fabrication processes.
- Collaborated with project managers to ensure alignment of production schedules with project timelines.

FABRICATION TECHNICIAN

Metalworks Unlimited

2015 - 2020

- Operated welding equipment and tools to fabricate metal structures according to specifications.
- Performed quality checks on finished products to ensure compliance with industry standards.
- Assisted in inventory management to ensure timely availability of materials.
- Participated in team meetings to discuss project status and resource needs.
- Maintained a clean and organized workspace to promote safety and efficiency.
- Documented production processes for compliance with quality assurance protocols.
