MICHAEL ANDERSON

FACILITIES ASSET MANAGER

Innovative Facilities Asset Manager with extensive experience in the healthcare sector, adept at ensuring compliance with stringent regulatory standards while optimizing operational efficiencies. Proven expertise in managing complex facility systems and leading cross-disciplinary teams to deliver high-quality service in fast-paced environments. Demonstrates a strong commitment to enhancing patient care through effective asset management and facility design.

PROFESSIONAL EXPERIENCE

HealthFirst Medical Center

Mar 2018 - Present

Facilities Asset Manager

- Oversaw facility operations for a 300-bed hospital, ensuring compliance with all health and safety regulations.
- Implemented a computerized maintenance management system (CMMS) that improved work order processing by 40%.
- Coordinated facility upgrades that enhanced patient experience and operational efficiency.
- Managed a budget of \$3 million, achieving a 10% reduction in operational costs.
- Trained staff on safety protocols and emergency preparedness procedures.
- Collaborated with clinical teams to ensure facilities met the needs of patient care services.

City Hospital

Dec 2015 - Jan 2018

Assistant Facilities Manager

- Supported the management of facility operations and maintenance for a large urban hospital.
- Assisted in the development of emergency response plans and safety audits.
- Coordinated with contractors for timely completion of renovation projects.
- Monitored facility performance metrics and reported findings to senior management.
- Facilitated training sessions for staff on new operational procedures.
- Participated in budget planning and resource allocation for facility improvements.

ACHIEVEMENTS

- Improved patient satisfaction scores by implementing facility enhancements.
- Achieved a 15% reduction in energy costs through sustainability initiatives.
- Recognized for excellence in facilities management by the state health department in 2022.
