# MICHAEL ANDERSON

## FACILITIES MANAGER

Dynamic Facilities Engineering Manager with a focus on the healthcare sector, bringing over 10 years of experience in managing complex facility operations and maintenance. Expertise in ensuring compliance with healthcare regulations and standards while enhancing patient care environments through strategic facility improvements. Proven ability to lead diverse teams and manage high-stakes projects that require meticulous attention to detail and adherence to strict timelines.

## **PROFESSIONAL EXPERIENCE**

### **HealthCare Facility Group**

*Mar 2018 - Present*

#### Facilities Manager

- Managed operations of a 500,000 sq. ft. healthcare facility, ensuring compliance with all healthcare regulations.
- Implemented a comprehensive maintenance program that reduced emergency repairs by 35%.
- Developed and enforced safety protocols that led to a 20% decrease in workplace incidents.
- Coordinated with clinical teams to ensure facility readiness for accreditation inspections.
- Utilized facility management software to streamline operations and improve reporting accuracy.
- Oversaw facility renovations that enhanced patient experience and comfort.

### **City Hospital**

*Dec 2015 - Jan 2018*

#### Assistant Facilities Manager

- Assisted in managing facility operations for a large urban hospital, focusing on compliance and safety.
- Supported project management for renovations and expansions, ensuring minimal disruption to patient care.
- Conducted regular inspections and audits to maintain high standards of facility conditions.
- Collaborated with contractors to ensure timely completion of projects within budget.
- Developed training programs for staff on new procedures and equipment.
- Monitored and reported on facility budgets and expenses, ensuring alignment with financial goals.

## **ACHIEVEMENTS**

- Led the facility's accreditation process, achieving full compliance in 2022.
- Implemented a patient-centered design in facility renovations, improving patient satisfaction scores.
- Received 'Best Facilities Team' award in 2021 for excellence in facility management.
