# MICHAEL ANDERSON

## FACILITIES HVAC SUPERVISOR

Highly skilled Facilities HVAC Supervisor with a rich background in managing and optimizing HVAC systems across diverse industrial settings. Renowned for implementing innovative solutions that enhance operational efficiency and minimize energy consumption. Demonstrates an unwavering commitment to safety and regulatory compliance, ensuring that all systems operate within the required standards. Possesses a strong aptitude for team leadership, mentoring staff in technical skills and best practices.

## **PROFESSIONAL EXPERIENCE**

### **Industrial Solutions Group**

*Mar 2018 - Present*

#### Facilities HVAC Supervisor

- Supervised HVAC operations for a manufacturing facility with a focus on process optimization.
- Conducted regular system inspections and preventive maintenance, reducing breakdown incidents.
- Implemented energy-saving initiatives, resulting in a 30% decrease in operational costs.
- Led a team of technicians in troubleshooting complex HVAC issues effectively.
- Coordinated with facility management to ensure compliance with environmental regulations.
- Developed training programs for staff on new technologies and safety practices.

### **Tech Air Systems**

*Dec 2015 - Jan 2018*

#### Senior HVAC Technician

- Managed installation and repair projects for commercial HVAC systems.
- Utilized advanced diagnostic tools to resolve system issues efficiently.
- Collaborated with engineering teams to design HVAC solutions tailored to client needs.
- Maintained detailed documentation of service activities and compliance records.
- Provided technical support and training to junior technicians.
- Achieved a 99% success rate in customer service satisfaction surveys.

## **ACHIEVEMENTS**

- Implemented a new maintenance protocol that reduced service response time by 50%.
- Recognized for outstanding customer service and client relationship management.
- Received 'Innovator Award' for energy efficiency initiatives in 2022.
