ACHIEVEMENTS

- Awarded 'Outstanding Facilities Manager' by the State Health Association in 2021.
- Successfully led a project that upgraded hospital infrastructure, improving patient satisfaction scores by 30%.
- Reduced maintenance response times by 50% through process optimization.

PROFILE

Accomplished Facilities Maintenance Manager with extensive experience in the healthcare sector, specializing in maintaining critical infrastructure and ensuring compliance with stringent regulatory standards. Demonstrates a robust understanding of facility operations and a proven track record of implementing maintenance strategies that enhance reliability and performance. Exhibits exceptional leadership capabilities, fostering a collaborative environment that drives team performance and operational excellence.

EXPERIENCE

FACILITIES OPERATIONS MANAGER

HealthFirst Medical Center

2016 - Present

- Managed facility maintenance operations for a 500-bed hospital, ensuring compliance with healthcare regulations.
- Developed and maintained an effective preventive maintenance program that improved facility uptime by 35%.
- Oversaw the procurement of maintenance supplies and equipment, managing a budget of \$1.5 million.
- Collaborated with clinical staff to ensure timely resolution of facility-related issues affecting patient care.
- Trained and supervised a team of 15 maintenance staff, promoting a culture of safety and efficiency.
- Conducted facility audits and inspections to ensure adherence to health and safety standards.

MAINTENANCE SUPERVISOR

City Health Network

2014 - 2016

- Led a team responsible for the maintenance of multiple healthcare facilities, ensuring operational compliance.
- Implemented energy-saving initiatives that reduced utility costs by 20% annually.
- Coordinated emergency repairs and maintenance activities, minimizing disruption to patient services.
- Developed maintenance schedules for critical systems, enhancing reliability and performance metrics.
- Utilized advanced maintenance management software to track work orders and performance indicators.
- Engaged in continuous training programs to ensure staff proficiency in safety and operational procedures.
