### WORK EXPERIENCE

**Government Space Planner** 2020-2023  
Civic Design Solutions

- Planned and executed space designs for municipal buildings, enhancing public accessibility.
- Collaborated with government officials to align project goals with community needs.
- Managed compliance with local, state, and federal regulations throughout the design process.
- Conducted community engagement sessions to gather input on design proposals.
- Utilized project management software to track timelines and budgets effectively.
- Developed comprehensive reports to communicate project progress to stakeholders.

**Space Planning Consultant** 2019-2020  
Urban Planning Associates

- Provided consultation services for various civic projects, focusing on community impact.
- Conducted site analyses to inform space planning decisions for public facilities.
- Collaborated with architects and engineers to ensure design integrity and compliance.
- Facilitated stakeholder meetings to align project objectives with community values.
- Maintained detailed documentation of design processes and community feedback.
- Promoted sustainable design practices that benefited the local environment.

### ACHIEVEMENTS

- Led a project that transformed a neglected public park into a community hub.
- Received recognition for excellence in civic design from the National Planning Association.
- Successfully engaged over 200 community members in the design process of a new library.
