MICHAEL ANDERSON

FACILITY PLUMBING MANAGER

Strategic Facility Plumbing Technician with extensive experience in facility management and a specialization in plumbing infrastructure. Adept at orchestrating complex plumbing installations and repairs within high-pressure environments, ensuring minimal disruption to operations. Recognized for exceptional project management skills, overseeing multi-million-dollar plumbing projects from conception through execution. Strong analytical mindset, enabling the identification of inefficiencies and the implementation of innovative solutions that drive operational excellence.

PROFESSIONAL EXPERIENCE

Global Facility Services

Mar 2018 - Present

Facility Plumbing Manager

- Directed plumbing operations across multiple facilities, ensuring alignment with corporate standards and practices.
- Managed a team of plumbing professionals, fostering collaboration and high performance.
- Oversaw budgeting and financial planning for plumbing projects, achieving cost savings of 20%.
- Conducted thorough audits of plumbing systems, identifying and rectifying compliance issues.
- Implemented advanced technology solutions to streamline plumbing operations.
- Facilitated training and development programs for team members to enhance capabilities.

Premier Plumbing Solutions

Dec 2015 - Jan 2018

Senior Plumbing Installer

- Executed complex plumbing installations in commercial properties, adhering to strict deadlines.
- Collaborated with project managers to align plumbing work with construction schedules.
- Performed diagnostics and repairs on malfunctioning plumbing systems under tight timelines.
- Maintained accurate project documentation for compliance and regulatory purposes.
- Trained apprentices in advanced plumbing techniques and safety protocols.
- Optimized plumbing workflows to enhance efficiency and reduce costs.

ACHIEVEMENTS

- Achieved a 95% compliance rating in facility audits throughout tenure.
- Successfully completed high-profile projects under budget and ahead of schedule.
- Recognized for excellence in leadership by receiving the Leadership Award in 2020.
