Michael Anderson

ASSISTANT PROFESSOR OF BUSINESS

Results-oriented Faculty Member with extensive experience in business education and a focus on entrepreneurship. I have been teaching for over 10 years, helping students develop the skills necessary to succeed in the competitive business landscape. My teaching approach combines theoretical knowledge with practical application, ensuring students can apply what they learn in real-world scenarios.

EXPERIENCE

ASSISTANT PROFESSOR OF BUSINESS

Business School

2016 - Present

- Developed and delivered courses in entrepreneurship and business strategy, increasing student enrollment by 35%.
- Mentored students in business plan competitions, leading to multiple winning projects.
- Facilitated workshops on startup funding and investment strategies, enhancing students' practical knowledge.
- Collaborated with local startups to provide internship opportunities for students.
- Conducted research on the effectiveness of experiential learning in business education.
- Advised student organizations focused on entrepreneurship and innovation.

LECTURER IN BUSINESS STUDIES

Community College

2014 - 2016

- Taught introductory courses in business management and marketing, emphasizing real-world applications.
- Designed assessment strategies that improved student performance and engagement.
- Organized networking events with local business leaders, providing students with valuable connections.
- Implemented project-based learning initiatives that increased student collaboration.
- Conducted research on student attitudes toward entrepreneurship, presenting findings at conferences.
- Served as a career advisor for students pursuing business-related fields.
