ACHIEVEMENTS

- Recognized for achieving a 98% patient satisfaction rate in maternal care.
- Successfully implemented a breastfeeding support program with over 200 participants.
- Received the 'Excellence in Nursing' award for dedication to family health.

PROFILE

Motivated Family Health Nurse with 5 years of experience specializing in maternal and child health. Known for building trusting relationships with families to promote positive health behaviors and outcomes. Expertise in prenatal and postnatal care, educating families about infant care, and ensuring access to resources. Committed to reducing health disparities through community engagement and education.

EXPERIENCE

MATERNAL HEALTH NURSE

Bright Futures Maternity Center

2016 - Present

- Provided prenatal education and counseling to expectant mothers and families.
- Monitored maternal health indicators throughout pregnancy and postpartum.
- Coordinated care with obstetricians and pediatricians for seamless transitions.
- Developed educational materials on infant care and family health.
- Facilitated workshops for new parents on breastfeeding and infant nutrition.
- Tracked patient progress and adjusted care plans as needed.

PEDIATRIC NURSE

Children's Health Clinic

2014 - 2016

- Assessed the health status of children during routine check-ups and immunizations.
- Educated parents on child developmental milestones and health concerns.
- Collaborated with a team of healthcare professionals to ensure comprehensive care.
- Implemented family-centered care practices to enhance patient experience.
- Conducted health screenings for early detection of developmental delays.
- Provided emotional support and guidance to families during health crises.
