Michael Anderson

GERIATRIC FAMILY MEDICINE PHYSICIAN

Experienced Family Medicine Doctor specializing in geriatric medicine with over 15 years in clinical practice. My dedication to improving the quality of life for elderly patients drives my approach to care, focusing on both physical and emotional health. I have developed expertise in managing complex medical issues associated with aging, including chronic conditions and cognitive decline.

EXPERIENCE

GERIATRIC FAMILY MEDICINE PHYSICIAN

Senior Health Services

2016 - Present

- Managed care for a panel of elderly patients with complex health needs.
- Developed individualized care plans that addressed both physical and mental health.
- Conducted home visits to assess living conditions and provide support.
- Collaborated with social workers and therapists for holistic care.
- Educated families on managing chronic conditions in elderly patients.
- Led a program that reduced hospital readmissions by 20% over one year.

FAMILY MEDICINE RESIDENT

Geriatric Care Residency

2014 - 2016

- Completed rotations focused on geriatric medicine and palliative care.
- Participated in multidisciplinary team meetings for complex cases.
- Assisted in developing care strategies for patients with dementia.
- Conducted research on the effectiveness of community-based care.
- Presented case studies on geriatric patient management.
- Recognized for excellence in geriatric patient care during residency.
