# MICHAEL ANDERSON

## SENIOR TRAINING FACILITATOR

Accomplished farmer field school facilitator with a profound understanding of agroecological principles and their application in enhancing farmer resilience and productivity. Expertise in adult education methodologies and participatory approaches that empower farmers to adopt innovative practices in crop production and resource management. Demonstrated success in leading diverse groups through hands-on training and experiential learning, fostering a culture of continuous improvement and knowledge sharing.

## **PROFESSIONAL EXPERIENCE**

### **EcoAgro Solutions**

*Mar 2018 - Present*

Senior Training Facilitator

- Designed and implemented training programs based on agroecological principles.
- Facilitated workshops that improved farmers' understanding of soil health and biodiversity.
- Led field visits to demonstrate best practices in crop management.
- Utilized feedback to continuously refine training approaches and content.
- Collaborated with scientists to integrate research findings into training materials.
- Monitored and reported on training outcomes to stakeholders and funders.

### **Farmers United Network**

*Dec 2015 - Jan 2018*

Agricultural Skills Trainer

- Conducted training sessions focusing on integrated pest management and crop rotation.
- Engaged with farmers to identify specific training needs and challenges.
- Developed resource materials that supported learning objectives.
- Implemented follow-up assessments to gauge the impact of training.
- Established a mentoring program to support new farmers.
- Promoted collaboration among farmers to share best practices.

## **ACHIEVEMENTS**

- Increased farmer adoption of sustainable practices by 35% over three years.
- Recipient of the National Agroecology Award for educational excellence.
- Developed a successful training model adopted by regional agricultural organizations.
