MICHAEL ANDERSON

DIGITAL MEDIA INSTRUCTOR

Innovative Film and Television Instructor with a focus on digital media and emerging technologies. With over 12 years of experience in both educational and professional environments, expertise lies in integrating cutting-edge technology into the filmmaking process. A strong advocate for experiential learning, employing modern tools such as virtual reality and interactive media to enhance student engagement and creativity.

PROFESSIONAL EXPERIENCE

Tech and Arts Academy

Mar 2018 - Present

Digital Media Instructor

- Designed a curriculum that incorporates digital storytelling and multimedia production techniques.
- Facilitated workshops on the use of emerging technologies in film production.
- Guided students in creating interactive media projects that demonstrate their understanding of digital narratives.
- Organized exhibitions showcasing student work to industry professionals and the public.
- Collaborated with technology companies to provide students with hands-on experiences with the latest tools.
- Developed assessment rubrics that reflect industry standards for digital media production.

Innovative Film Studios

Dec 2015 - Jan 2018

Production Assistant

- Assisted in the production of various multimedia projects, including short films and advertisements.
- Coordinated logistics for shoots, ensuring all equipment and personnel were in place.
- Utilized editing software to assist in post-production tasks, including video and audio editing.
- Maintained production schedules and communicated updates to team members.
- Contributed to brainstorming sessions that generated creative concepts for new projects.
- Supported the director and crew in various capacities on set.

ACHIEVEMENTS

- Received the 'Innovator Award' for excellence in integrating technology into the classroom.
- Students' projects featured in a national digital media competition.
- Authored articles on digital media education published in leading journals.
