# MICHAEL ANDERSON

## DIGITAL MEDIA INSTRUCTOR

Dynamic Film Making Trainer specializing in digital media and interactive storytelling. Over eight years of experience in educating aspiring filmmakers about the integration of technology and narrative design. Proven track record of developing engaging curricula that emphasize creativity and technical proficiency. Advocates for hands-on learning experiences that prepare students for the rapidly evolving media landscape.

## **PROFESSIONAL EXPERIENCE**

### **Tech Film Academy**

*Mar 2018 - Present*

Digital Media Instructor

- Designed innovative courses on digital storytelling and interactive media.
- Guided students in utilizing multimedia tools to create compelling narratives.
- Facilitated collaborative projects that merged technology with filmmaking.
- Provided mentorship to students on personal projects and portfolios.
- Evaluated student performance through practical assessments and critiques.
- Organized industry guest lectures to broaden student perspectives.

### **Innovative Media Productions**

*Dec 2015 - Jan 2018*

Production Coordinator

- Coordinated production schedules and managed resources for digital media projects.
- Collaborated with creative teams to develop interactive content.
- Oversaw post-production processes, ensuring timely delivery of projects.
- Implemented project management tools to streamline workflows.
- Assisted in securing funding for innovative media initiatives.
- Conducted workshops on emerging technologies in film and media.

## **ACHIEVEMENTS**

- Recipient of the 'Innovative Teaching Award' for excellence in digital media education.
- Established a student-led film project that received national recognition.
- Published articles on the future of digital storytelling in leading media journals.
