

MICHAEL ANDERSON

LEAD COMPOSER

PROFILE

Accomplished Film Music Composer with a robust portfolio spanning diverse genres including drama, horror, and documentary. Renowned for the ability to evoke emotions through meticulously crafted soundscapes that resonate with audiences. Expertise in both traditional scoring techniques and modern digital production, leveraging a wide array of instruments and software to achieve desired effects.

EXPERIENCE

LEAD COMPOSER

Epic Soundworks

2016 - Present

- Developed unique sound identities for 15 feature films, enhancing narrative depth.
- Collaborated closely with directors to interpret their artistic vision into musical compositions.
- Oversaw the hiring of musicians and orchestrators for large-scale recordings.
- Utilized advanced software including Cubase and Sibelius for score creation.
- Conducted workshops on film scoring techniques for aspiring composers.
- Maintained effective communication with production teams throughout the scoring process.

ASSISTANT COMPOSER

Visionary Films

2014 - 2016

- Supported lead composers in the arrangement and orchestration of scores.
- Engaged in thematic development for multiple short films.
- Assisted in the recording and mixing process in studio environments.
- Conducted research on historical music relevance for period pieces.
- Contributed to the development of promotional materials highlighting scores.
- Facilitated communication between composers and sound editors.
