MICHAEL ANDERSON

FILM MUSIC COMPOSER

Innovative Film Music Composer with a focus on integrating electronic music elements into traditional scoring practices. Extensive experience in creating soundtracks that not only support but enhance the visual storytelling experience. Recognized for a distinctive style that combines orchestral arrangements with synthesized sounds, providing a modern twist to classic film genres.

PROFESSIONAL EXPERIENCE

Sonic Visions

Mar 2018 - Present

Film Music Composer

- Composed and produced over 20 original scores for independent films.
- Integrated electronic elements into orchestral compositions to create unique sound palettes.
- Collaborated with sound designers to ensure cohesive auditory experiences.
- Utilized software such as Ableton Live and Logic Pro for innovative score production.
- Conducted audience testing sessions to refine musical themes based on feedback.
- Participated in post-production processes to align music with final edits.

Creative Soundworks

Dec 2015 - Jan 2018

Junior Composer

- Assisted in the composition of scores for various media projects including commercials.
- Conducted research on sound design trends to inform scoring decisions.
- Edited music samples for client presentations and promotional use.
- Contributed to brainstorming sessions for thematic development.
- Worked closely with audio engineers during recording sessions.
- Maintained organized project files and documentation for clarity and efficiency.

ACHIEVEMENTS

- Score nominated for the Best Soundtrack at the 2022 Film Festival.
- Recognized for innovative use of technology in film scoring.
- Featured in multiple music blogs for groundbreaking compositions.
