EDUCATION

MASTER OF FINE ARTS IN CALLIGRAPHY AND LETTERING, SCHOOL OF VISUAL ARTS, 2010

ACHIEVEMENTS

- Recognized for excellence in calligraphy by the National Calligraphy Association in 2020.
- Published articles on calligraphy techniques in industry journals.
- Successfully organized community art events to promote local artists.

PROFILE

Innovative Fine Art Calligrapher with a distinctive approach to merging classical calligraphy with modern aesthetics. Over a decade of experience in delivering personalized calligraphic designs for weddings, corporate events, and art installations. Possesses a keen eye for detail and a profound understanding of typography, allowing for the creation of unique, visually striking pieces.

EXPERIENCE

FREELANCE CALLIGRAPHER

Self-Employed

2016 - Present

- Created custom calligraphic pieces for clients, including invitations and signage.
- Explored innovative techniques to merge traditional and digital calligraphy.
- Participated in local art fairs to showcase and sell artworks.
- Developed a strong online presence, leading to a 50% increase in inquiries.
- Conducted hands-on workshops, teaching participants about materials and techniques.
- Collaborated with local businesses for promotional projects, enhancing community engagement.

CALLIGRAPHY WORKSHOP FACILITATOR

Art Community Center

2014 - 2016

- Designed engaging calligraphy workshops for diverse age groups.
- Introduced students to various styles, enhancing their artistic versatility.
- Developed instructional materials and resources for ongoing student use.
- Facilitated collaboration among students for group projects and exhibitions.
- Evaluated and provided constructive feedback on student progress.
- Promoted workshops through social media, increasing attendance by 25%.
