### WORK EXPERIENCE

#### Senior Feed Formulator

2020-2023

Aquatic Nutrition Technologies

- Formulated specialized feeds for marine and freshwater species, focusing on nutritional balance.
- Led a team in the evaluation of feed performance metrics and growth outcomes.
- Developed strategic partnerships with suppliers to secure high-quality ingredients.
- Implemented best practices in feed production to enhance operational efficiency.
- Conducted presentations to educate clients on the benefits of new feed products.
- Authored technical reports on feed efficacy to guide future formulations.

#### Aquaculture Feed Consultant

2019-2020

Consultancy Services International

- Provided expert consulting services to aquaculture operations on feed formulation strategies.
- Conducted audits of existing feed products and recommended improvements.
- Collaborated with clients to develop custom feed solutions tailored to their operations.
- Facilitated training sessions on nutrition and feed management.
- Analyzed market trends to guide clients in product development.
- Engaged with industry stakeholders to promote sustainable practices in feed use.

### ACHIEVEMENTS

- Increased feed performance metrics by 30% through innovative formulation techniques.
- Recognized as a leading expert in aquaculture nutrition by the Aquaculture Industry Association.
- Successfully launched a new line of specialty feeds that exceeded sales targets by 40%.
