- Published multiple articles on fisheries law in recognized journals.

PROFILE

An accomplished Fisheries Compliance Specialist with a robust background in legal frameworks governing marine resources. Over 10 years of experience in enforcing fisheries regulations and ensuring sustainable fishing practices. Expertise in drafting compliance reports and conducting thorough investigations into non-compliance cases. Proven ability to collaborate with legal teams to navigate complex regulatory landscapes and advocate for policy changes.

EXPERIENCE

FISHERIES ENFORCEMENT OFFICER

U.S. Fish and Wildlife Service

2016 - Present

- Conducted investigations into illegal fishing activities and enforced compliance with federal laws.
- Collaborated with law enforcement agencies to address violations and implement sanctions.
- Prepared detailed reports and documentation for legal proceedings.
- Provided expert testimony in court regarding fisheries regulations.
- Engaged with local communities to raise awareness of fisheries laws.
- Trained new recruits on compliance enforcement techniques and protocols.

REGULATORY AFFAIRS SPECIALIST

International Marine Conservation Society

2014 - 2016

- Drafted compliance guidelines for fisheries management practices in collaboration with global partners.
- Analyzed international treaties affecting fisheries and proposed adaptation strategies.
- Monitored compliance with environmental regulations affecting marine biodiversity.
- Facilitated workshops to educate stakeholders on international fisheries law.
- Evaluated program effectiveness and recommended improvements to compliance strategies.
- Conducted outreach to fishing communities to promote conservation efforts.
