MICHAEL ANDERSON

FISHING VESSEL MANAGER

A dedicated Fishing Vessel Operations Officer with over 8 years of experience in commercial fishing and vessel management. Skilled in both operational and strategic aspects of fishing operations, with a strong emphasis on safety and environmental compliance. Experienced in managing fishing crews, ensuring adherence to best practices in sustainability and resource management.

PROFESSIONAL EXPERIENCE

Blue Ocean Fisheries

Mar 2018 - Present

Fishing Vessel Manager

- Managed all aspects of fishing vessel operations, ensuring compliance with safety standards.
- Developed and implemented crew training programs focused on safety and efficiency.
- Monitored fishing quotas, ensuring sustainable practices were followed.
- Coordinated maintenance schedules to minimize vessel downtime.
- Maintained communication with regulatory bodies to ensure compliance.
- Analyzed operational data to improve performance metrics.

Pacific Catch Co.

Dec 2015 - Jan 2018

Deckhand

- Assisted in daily fishing operations, ensuring adherence to safety protocols.
- Participated in crew training sessions, focusing on safety and emergency procedures.
- Maintained equipment and vessel cleanliness to ensure operational readiness.
- Documented catch reports and assisted in data entry for compliance.
- Collaborated with senior crew members to optimize fishing techniques.
- Engaged in regular safety drills to enhance crew preparedness.

ACHIEVEMENTS

- Successfully reduced vessel maintenance costs by 20% through improved scheduling.
- Recognized for leadership in crew training programs by the Fishing Industry Association.
- Achieved full compliance with fishing regulations during audits.
