EDUCATION

BACHELOR OF SCIENCE IN SOFTWARE ENGINEERING, TECH UNIVERSITY, 2018

ACHIEVEMENTS

- Played a key role in launching a mobile app that gained 50,000 downloads in the first month.
- Recognized for outstanding teamwork in achieving project milestones ahead of schedule.
- Implemented a new feature that improved user retention by 25%.

PROFILE

Detail-oriented Flutter Developer with a strong focus on creating intuitive and user-friendly mobile applications. Over 3 years of experience in the tech industry, working in fast-paced environments. Demonstrates expertise in integrating third-party APIs and optimizing app performance. Committed to writing clean, maintainable code and following best practices in software development. Possesses a solid understanding of mobile design principles and user experience.

EXPERIENCE

FLUTTER DEVELOPER

Creative Apps Co.

2016 - Present

- Developed cross-platform mobile applications for iOS and Android using Flutter.
- Integrated Google Maps API for enhanced location-based services within applications.
- Worked closely with UX/UI designers to implement visually appealing interfaces.
- Conducted performance testing and debugging, achieving a crash-free rate of 99%.
- Collaborated in code reviews, providing constructive feedback to team members.
- Maintained documentation for app features and development processes, aiding future updates.

JUNIOR FLUTTER DEVELOPER

NextGen Technologies

2014 - 2016

- Assisted in building and deploying mobile applications with a focus on user experience.
- Participated in daily stand-ups and sprint planning, contributing to team goals.
- Created reusable components to enhance development efficiency and consistency.
- Debugged and resolved application issues, improving overall app stability.
- Collaborated with backend teams to ensure smooth data flow and integration.
- Engaged in continuous learning through workshops and online courses on Flutter development.
