# MICHAEL ANDERSON

## ECONOMIC POLICY ANALYST

Strategic Foreign Policy Researcher with a robust background in economic diplomacy and trade relations. Expertise encompasses the analysis of economic policies and their implications on international relations. Proficient in evaluating trade agreements and their geopolitical ramifications, providing insights that inform diplomatic negotiations. Demonstrates a strong command of economic theories and quantitative analysis, enabling the formulation of evidence-based recommendations for policymakers.

## **PROFESSIONAL EXPERIENCE**

### **Institute for International Trade**

*Mar 2018 - Present*

Economic Policy Analyst

- Evaluated international trade policies and their impact on global markets.
- Developed economic models to forecast trade flows and market trends.
- Collaborated with government officials to enhance trade negotiations.
- Published research papers on trade agreements in reputable journals.
- Presented analytical findings to stakeholders at international forums.
- Conducted training sessions on economic diplomacy for emerging leaders.

### **World Trade Organization**

*Dec 2015 - Jan 2018*

Trade Relations Researcher

- Researched global trade practices and their implications on member countries.
- Authored policy briefs that informed trade negotiations.
- Engaged with member states to gather insights on trade challenges.
- Analyzed data on trade disputes and proposed resolutions.
- Coordinated with international agencies to promote trade facilitation.
- Participated in trade policy discussions at the national level.

## **ACHIEVEMENTS**

- Recognized with the 'Excellence in Research' award by the International Trade Association in 2022.
- Contributed to a trade agreement that increased bilateral trade by 30%.
- Facilitated workshops that enhanced understanding of trade policies among diplomats.
