EDUCATION

**DOCTOR OF PSYCHIATRY (D.PSYCH),
UNIVERSITY OF HEALTH SCIENCES, 2011**

ACHIEVEMENTS

- Received the 'Community Impact Award' for mental health advocacy in 2018.
- Developed a training manual for forensic assessment best practices.
- Successfully advocated for policy changes in mental health legislation.

PROFILE

With a strong background in both psychiatry and law, I have spent the last decade as a Forensic Psychiatrist specializing in the evaluation of mentally ill offenders. My journey started in a mental health clinic, where I developed a deep empathy for my patients. I later transitioned to a forensic role where I apply my clinical knowledge to assess individuals involved in legal proceedings.

EXPERIENCE

FORENSIC PSYCHIATRIST

Forensic Services Group

2016 - Present

- Evaluated over 200 defendants for competency to stand trial.
- Prepared detailed psychological reports for court use.
- Collaborated with defense attorneys to understand client backgrounds.
- Conducted risk assessments that informed sentencing decisions.
- Participated in multidisciplinary case conferences to discuss complex cases.
- Educated legal teams on mental health-related legal standards.

CLINICAL PSYCHIATRIST

Community Mental Health Center

2014 - 2016

- Provided psychiatric evaluations and treatment to over 150 patients.
- Developed individualized treatment plans addressing specific needs.
- Trained junior psychiatrists on forensic assessment techniques.
- Engaged in community outreach to reduce stigma around mental illness.
- Conducted workshops for law enforcement on mental health crisis intervention.
- Implemented telepsychiatry services that increased patient access to care.
