- Awarded 'Outstanding Contribution to Mental Health' by a national organization.
- Developed a framework for trauma-informed care that was adopted by local facilities.

Michael Anderson

FORENSIC PSYCHIATRIST

I am a Forensic Psychiatrist with a strong focus on trauma-informed care and its implications within the legal system. Over the last 10 years, I have worked with a diverse population of patients, including those with a history of trauma and violence. My clinical practice is anchored in understanding the psychological effects of trauma and how they manifest in criminal behavior.

EXPERIENCE

FORENSIC PSYCHIATRIST

Trauma Recovery Center

2016 - Present

- Conducted over 300 trauma assessments for individuals in legal proceedings.
- Developed treatment protocols that integrate trauma-informed care.
- Collaborated with legal teams to address trauma in court cases.
- Trained law enforcement on recognizing trauma responses in subjects.
- Engaged in community awareness initiatives about trauma and mental health.
- Led workshops on trauma-informed practices for mental health professionals.

PSYCHIATRIST

Mental Health Hospital

2014 - 2016

- Provided psychiatric evaluations and treatment for patients with complex trauma.
- Conducted crisis interventions for individuals in acute distress.
- Developed group therapy sessions focusing on trauma recovery.
- Collaborated with interdisciplinary teams to plan comprehensive care.
- Published research on the impact of trauma on mental health outcomes.
- Trained staff on trauma-informed care principles.
