# MICHAEL ANDERSON

## URBAN FORESTRY COORDINATOR

Innovative forest extension professional with extensive experience in urban forestry and community forestry initiatives. Specialization in creating sustainable urban landscapes through effective engagement and education strategies. Proven expertise in implementing outreach programs that enhance understanding and appreciation of urban forests. Committed to fostering collaboration between municipalities and community groups to promote tree planting and maintenance.

## **PROFESSIONAL EXPERIENCE**

### **City of Greenfield**

*Mar 2018 - Present*

Urban Forestry Coordinator

- Developed urban forestry management plans to enhance green spaces.
- Coordinated tree planting initiatives involving community volunteers.
- Led educational workshops on the benefits of urban trees.
- Collaborated with city planners to integrate forestry into urban development.
- Utilized social media campaigns to raise public awareness about urban forestry.
- Evaluated urban forest health and reported findings to city officials.

### **Urban Green Alliance**

*Dec 2015 - Jan 2018*

Community Engagement Specialist

- Facilitated community forums to discuss urban forestry issues.
- Collaborated with local schools to implement tree education programs.
- Monitored tree planting projects to ensure sustainability.
- Created informational resources on urban tree care for residents.
- Established partnerships with local businesses to support urban greening.
- Advocated for policies that promote urban forest conservation.

## **ACHIEVEMENTS**

- Increased urban tree canopy cover by 25% in three years.
- Awarded the Urban Greening Award for community impact.
- Published articles on urban forestry in leading environmental journals.
