## WORK EXPERIENCE

### Forest Law Investigator

2020-2023

Forest Service

- Led investigations into illegal logging and land use violations.
- Utilized drones for aerial surveillance to identify illegal activities.
- Developed partnerships with local NGOs for joint enforcement actions.
- Conducted training workshops on the use of technology in law enforcement.
- Analyzed enforcement data to identify trends and inform policy changes.
- Prepared comprehensive reports for regulatory agencies on enforcement outcomes.

### Environmental Outreach Coordinator

2019-2020

Community Conservation Initiative

- Designed and implemented community engagement programs focused on forest conservation.
- Conducted educational seminars to raise awareness about environmental laws.
- Collaborated with schools to integrate conservation education into curricula.
- Managed social media campaigns to promote conservation efforts.
- Engaged with local businesses to foster support for sustainable practices.
- Evaluated program effectiveness through surveys and community feedback.

## ACHIEVEMENTS

- Increased community participation in conservation programs by 35% in one year.
- Awarded 'Innovator of the Year' for outstanding contributions to environmental outreach.
- Implemented data-driven strategies that improved enforcement efficiency by 25%.
