

# MICHAEL ANDERSON

## FOREST POLICY ADVISOR

### PROFILE

---

Demonstrating a robust commitment to ecological sustainability, the Forest Management Specialist brings forth a wealth of knowledge in forest ecology, policy development, and community engagement. With a strong academic foundation in environmental science, the specialist excels in the preservation and management of forest ecosystems. Proven expertise in conducting ecological assessments and implementing restoration strategies has led to significant improvements in forest health metrics.

### EXPERIENCE

---

#### FOREST POLICY ADVISOR

##### Sustainable Forestry Initiative

2016 - Present
