WORK EXPERIENCE

COMMUNITY FORESTRY FACILITATOR

Forest Alliance

2020 - 2025

- Facilitated community meetings to develop forest management plans aligned with local needs.
- Negotiated agreements between landowners and conservation groups to protect forest areas.
- Secured funding for community-led conservation projects through grant applications.
- Trained community members in sustainable forestry practices and conflict resolution.
- Coordinated with local governments to integrate community input into forestry policies.
- Developed assessment tools to measure the impact of community initiatives on forest health.

ENVIRONMENTAL OUTREACH COORDINATOR

Green Futures

2015 - 2020

- Designed outreach campaigns to engage local communities in conservation efforts.
- Organized volunteer events that resulted in the planting of over 10,000 trees.
- Conducted workshops on the importance of biodiversity and forest health.
- Collaborated with local schools to promote environmental education initiatives.
- Developed partnerships with local businesses to support sustainability efforts.
- Evaluated outreach program effectiveness through surveys and community feedback.
