Dynamic forestry trainer with a unique specialization in urban forestry and community outreach. Extensive experience in developing training programs aimed at enhancing urban tree management and promoting green spaces within metropolitan areas. Proven ability to engage diverse audiences and foster a sense of community stewardship toward urban forests. Expertise in utilizing technology and data analysis to inform training content and delivery methods.

PROFESSIONAL EXPERIENCE

City Green Institute — *Mar 2018 - Present*
Urban Forestry Trainer

- Designed urban forestry training modules for city officials and community members.
- Conducted assessments of urban tree canopies to inform training content.
- Facilitated community workshops on tree care and maintenance.
- Developed partnerships with local organizations to enhance training outreach.
- Utilized drones for urban forestry assessments and training demonstrations.
- Created digital resources to support ongoing education in urban forestry.

Green City Coalition — *Dec 2015 - Jan 2018*
Community Outreach Coordinator

- Organized community events focused on urban greening initiatives.
- Developed educational materials that emphasize the benefits of urban trees.
- Collaborated with local schools to create urban forestry programs.
- Facilitated training sessions for volunteers on tree planting and care.
- Engaged with local media to promote urban forestry projects.
- Evaluated program effectiveness and provided feedback for improvement.

ACHIEVEMENTS

- Increased urban forestry program participation by 70% in two years.
- Awarded the Urban Greening Award by the City Council in 2022.
- Featured speaker at the National Urban Forestry Conference.
