MICHAEL ANDERSON

INTERNATIONAL FREIGHT MANAGER

Dynamic Freight Forwarding Executive with a specialization in international trade and supply chain logistics. With over 12 years of experience, this professional has cultivated a deep understanding of the intricacies of freight management across multiple regions. Expertise lies in optimizing logistics processes, enhancing operational efficiencies, and ensuring compliance with international regulations.

PROFESSIONAL EXPERIENCE

WorldWide Logistics

Mar 2018 - Present

International Freight Manager

- Managed international freight operations, ensuring compliance with trade regulations and customs requirements.
- Developed and executed strategies to optimize shipping routes and reduce transit times.
- Negotiated contracts with international carriers to secure favorable rates and service conditions.
- Oversaw the implementation of a new freight management system that improved tracking capabilities.
- Conducted market analysis to identify new opportunities for service expansion.
- Facilitated training sessions for staff on international logistics best practices.

Intercontinental Freight Services

Dec 2015 - Jan 2018

Logistics Coordinator

- Coordinated logistics activities for a diverse range of international shipments.
- Maintained accurate records of shipments and documentation for compliance purposes.
- Collaborated with customs brokers to ensure timely clearance of goods.
- Assisted in the development of logistics plans to support trade shows and exhibitions.
- Monitored shipment performance metrics and reported findings to management.
- Executed customer service initiatives that enhanced client relationships and retention.

ACHIEVEMENTS

- Improved freight processing times by 20% through enhanced operational workflows.
- Recognized as 'Employee of the Year' for exceptional performance in logistics management.
- Successfully launched a new service line that increased revenue by 30% within the first year.
