MICHAEL ANDERSON

SENIOR FRONTEND DEVELOPER

Results-driven Frontend Developer with a strong focus on performance optimization and user experience. With over 6 years in the tech industry, I have honed my skills in building scalable web applications and enhancing existing systems. My experience spans various sectors, including finance and health tech, providing me with a diverse perspective on user needs and technical challenges.

PROFESSIONAL EXPERIENCE

FinanceTech Corp

Mar 2018 - Present

Senior Frontend Developer

- Led the frontend development team in creating a secure web application for financial services, reducing fraud detection time by 40%.
- Implemented TypeScript across projects, enhancing code quality and maintainability.
- Collaborated with backend developers to integrate APIs, resulting in a smoother user experience.
- Conducted training sessions for junior developers on best practices and coding standards.
- Optimized application performance, achieving a 50% reduction in loading times.
- Worked closely with product managers to align technical solutions with business goals.

Health Solutions Inc.

Dec 2015 - Jan 2018

Frontend Developer

- Developed user-friendly interfaces for health applications, increasing user engagement by 30%.
- Utilized React to build interactive components, enhancing overall application performance.
- Conducted user testing and gathered feedback to iterate on designs and features.
- Collaborated with cross-functional teams to ensure project timelines and deliverables were met.
- Assisted in the migration of legacy applications to modern frameworks.
- Maintained documentation for code and development processes for future reference.

ACHIEVEMENTS

- Improved application performance metrics leading to a 20% increase in user retention.
- Awarded Best Team Player for outstanding collaboration during high-stakes projects.
- Successfully led a project that achieved a 100% on-time delivery rate.
