EDUCATION

BACHELOR OF SCIENCE IN WEB DEVELOPMENT, UNIVERSITY OF ACCESSIBLE TECHNOLOGY, 2016

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Led a project that received recognition for outstanding accessibility features.
- Increased user engagement metrics by 35% through enhanced usability features.
- Successfully delivered multiple projects on time while adhering to accessibility guidelines.

Detail-oriented Frontend Developer with a strong background in building accessible web applications. Over 5 years of experience in developing user-centric solutions that comply with WCAG standards. My expertise includes using modern frameworks like React and Vue.js to create interactive interfaces that enhance user experience for all demographics. I am passionate about promoting web accessibility and inclusive design practices, ensuring that digital products are usable by everyone.

EXPERIENCE

FRONTEND DEVELOPER

Inclusive Web Solutions

2016 - Present

- Developed accessible web applications that complied with WCAG standards, improving usability for users with disabilities.
- Conducted accessibility audits and user testing to identify and address potential barriers.
- Collaborated with designers to create inclusive user interfaces that resonate with diverse audiences.
- Utilized React to build interactive components, enhancing engagement and functionality.
- Educated team members on best practices for web accessibility and inclusive design.
- Participated in community outreach programs to promote digital inclusivity.

JUNIOR WEB DEVELOPER

Tech for All

2014 - 2016

- Assisted in the development of web applications focusing on accessibility features.
- Worked with a team to implement user feedback into design iterations.
- Participated in code reviews to ensure compliance with coding standards.
- Helped maintain documentation for projects, ensuring knowledge transfer within the team.
- Engaged in training sessions focused on web accessibility best practices.
- Supported the deployment of applications to various environments.
