Michael Anderson

URBAN FARM COORDINATOR

A passionate Fruit Production Specialist with 5 years of expertise in urban agriculture and community-supported agriculture (CSA) initiatives. This professional has a strong commitment to promoting local food systems and sustainable practices. Adept at engaging communities in agricultural projects that enhance food security and access to fresh produce. Experienced in managing small-scale fruit production operations, with a focus on education and outreach.

EXPERIENCE

URBAN FARM COORDINATOR

City Green Farm
2016 - Present

- Managed a 2-acre urban farm dedicated to producing fruits and vegetables for local residents.
- Developed community engagement programs to involve residents in farming activities.
- Coordinated CSA subscriptions, increasing membership by 30% in one year.
- Conducted workshops on sustainable urban farming techniques.
- Collaborated with local schools to incorporate agricultural education into the curriculum.
- Implemented composting initiatives to reduce waste and enhance soil health.

AGRICULTURAL OUTREACH SPECIALIST

Healthy Food Initiative
2014 - 2016

- Engaged with community members to promote local fruit production and consumption.
- Organized events to educate families on nutrition and healthy eating.
- Developed partnerships with local farmers to source fresh produce for community events.
- Supported grant writing efforts to secure funding for agricultural projects.
- Coordinated volunteer efforts for community gardening projects.
- Evaluated program effectiveness and reported findings to stakeholders.
