MICHAEL ANDERSON

HEAD OF SUSTAINABLE INVESTMENTS

Visionary Fund Manager with a specialization in sustainable investing and ESG (Environmental, Social, and Governance) criteria. Extensive experience in integrating sustainability into investment strategies, resulting in high-impact investment decisions that align with client values. Recognized for pioneering innovative investment solutions that balance financial returns with social responsibility. Proven ability to engage with stakeholders at all levels, fostering a culture of ethical investment practices.

PROFESSIONAL EXPERIENCE

Eco-Invest Partners

Mar 2018 - Present

Head of Sustainable Investments

- Led the development of a sustainable investment fund with \$300 million in assets.
- Implemented ESG criteria in investment evaluation processes.
- Engaged with portfolio companies to promote sustainable practices.
- Conducted workshops on sustainable investing for clients and stakeholders.
- Collaborated with research teams to identify emerging trends in sustainability.
- Reported on fund performance and ESG impact to clients quarterly.

Green Finance Group

Dec 2015 - Jan 2018

Investment Consultant

- Advised clients on sustainable investment strategies and ESG integration.
- Conducted market research to identify high-potential sustainable assets.
- Developed client presentations on the benefits of sustainable investing.
- Monitored portfolio performance against sustainability benchmarks.
- Engaged with industry groups to promote sustainable finance initiatives.
- Assisted in the creation of educational materials for client workshops.

ACHIEVEMENTS

- Achieved a 30% increase in assets under management for sustainable funds in 2021.
- Awarded 'Sustainable Fund of the Year' by Green Investor Magazine in 2022.
- Developed a proprietary ESG scoring system adopted by multiple clients.
