

MICHAEL ANDERSON

SENIOR FURNITURE CARPENTER

PROFILE

With a profound understanding of both traditional and modern carpentry techniques, this furniture carpenter excels in producing high-quality pieces that reflect both craftsmanship and innovative design. Utilizing advanced tools and technologies, the ability to execute complex projects while maintaining a keen eye for detail distinguishes this professional in the competitive woodworking industry.

EXPERIENCE

SENIOR FURNITURE CARPENTER

Modern Woodworks

2016 - Present

- Led a diverse team in the fabrication of custom furniture for high-end clients.
- Utilized CNC machines for precise cuts and designs, enhancing production efficiency.
- Developed project timelines and coordinated with subcontractors to ensure timely completion.
- Maintained meticulous records of project specifications and client communications.
- Incorporated feedback from clients during the design process to optimize outcomes.
- Trained new staff on safety protocols and equipment operation.

CARPENTER

Heritage Furniture Co.

2014 - 2016

- Crafted customized furniture pieces, focusing on both aesthetics and functionality.
- Assisted in the design phase by offering insights based on material properties.
- Executed finishing touches, including sanding and staining, to enhance product appeal.
- Participated in trade shows to showcase products and network with potential clients.
- Conducted market research to identify trends and customer preferences.
- Implemented organizational systems to streamline workshop operations.
