Michael Anderson

HEAD GAFFER

Dedicated Gaffer with a solid foundation in theatrical productions, specializing in stage lighting design and implementation. Known for a strong understanding of the interplay between light and performance, creating immersive environments that enhance the audience's experience. Extensive experience in collaborating with directors and designers to translate artistic visions into practical lighting solutions.

EXPERIENCE

HEAD GAFFER

Theatre Arts Company

2016 - Present

- Designed and executed lighting plans for over 20 theatrical productions, enhancing the overall aesthetic of performances.
- Collaborated with directors and set designers to create cohesive lighting designs that complemented the narrative.
- Managed a team of lighting technicians, ensuring seamless operation during performances.
- Maintained lighting equipment and ensured compliance with safety regulations.
- Conducted technical rehearsals to troubleshoot and refine lighting setups.
- Trained new staff on lighting techniques and safety protocols.

GAFFER

Community Theatre Group

2014 - 2016

- Assisted in the setup and execution of lighting designs for various community theatre productions.
- Operated lighting consoles and equipment under the guidance of the head gaffer.
- Participated in pre-production meetings to discuss lighting needs and strategies.
- Ensured safety protocols were followed during all lighting setups and operations.
- Contributed to the development of creative lighting solutions that enhanced performance quality.
- Maintained an organized inventory of lighting equipment for productions.
