

MICHAEL ANDERSON

LEAD LANDSCAPE DESIGNER

PROFILE

Accomplished domestic gardener with a specialization in ornamental horticulture and landscape design. Extensive experience in cultivating aesthetic gardens that reflect individual client visions while promoting environmental sustainability. Expertise in plant selection, garden installation, and ongoing maintenance, ensuring gardens thrive throughout the seasons. Proven ability to manage multiple projects simultaneously, with a keen eye for detail and design.

EXPERIENCE

LEAD LANDSCAPE DESIGNER

Elegant Gardens Inc.

2016 - Present

- Developed custom landscape designs for over 100 residential clients.
- Conducted site assessments to determine optimal plant placements and garden layouts.
- Managed project timelines and budgets, ensuring timely completion of all projects.
- Collaborated with other professionals in the construction and design fields to ensure cohesive project execution.
- Trained new staff on best practices in ornamental horticulture and landscape maintenance.
- Introduced native plant species into designs, enhancing biodiversity and reducing maintenance needs.

GARDENER

Green Thumb Solutions

2014 - 2016

- Executed garden maintenance services for a portfolio of over 40 residential properties.
- Utilized advanced pruning techniques to enhance plant health and aesthetics.
- Implemented seasonal planting schedules that maximized garden productivity.
- Developed relationships with local nurseries to source high-quality plants and materials.
- Prepared detailed reports for clients on garden health and recommendations for improvements.
- Organized community workshops on sustainable gardening practices.
