ACHIEVEMENTS

- Lowered production costs by 15% through improved process efficiency.
- Recognized as Employee of the Month for outstanding contributions in July 2021.
- Received customer commendations for exceptional service on multiple projects.

PROFILE

Meticulously adept in the realm of gate and grill fabrication, showcasing a robust ability to manage complex projects from inception to successful completion. Demonstrated expertise in welding and metal fabrication processes, underpinned by a solid foundation in engineering principles. With over eight years of hands-on experience, a strong focus on quality control and continuous improvement has been maintained, ensuring products consistently meet stringent client specifications.

EXPERIENCE

FABRICATION SUPERVISOR

Ironclad Fabrications

2016 - Present

- Supervised daily operations of the fabrication shop, ensuring timely project completion.
- Implemented quality control measures that reduced errors by 25%.
- Coordinated with procurement to ensure availability of materials and tools.
