PROFILE

Accomplished Gender-Based Violence Specialist with a profound commitment to advancing women's rights and reducing violence against women. Over 8 years of experience in program management and community engagement, with a focus on empowering marginalized populations. Expertise in developing strategic partnerships with NGOs, government agencies, and community groups to address systemic issues related to gender-based violence.

EXPERIENCE

SENIOR PROGRAM MANAGER

Global Women's Initiative

2016 - Present

- Oversaw the implementation of a multi-year project addressing intimate partner violence.
- Developed training curricula for service providers on best practices for supporting survivors.
- Conducted impact assessments to evaluate program outcomes and inform future strategies.
- Facilitated cross-sector collaborations to enhance service delivery for survivors.
- Managed a diverse team of professionals, providing mentorship and guidance.
- Presented findings at international conferences, influencing global policy discussions.

COMMUNITY OUTREACH SPECIALIST

Local Empowerment Project

2014 - 2016

- Engaged with local communities to raise awareness about gender-based violence.
- Organized and led workshops to educate individuals on prevention and response strategies.
- Collaborated with schools to implement programs addressing gender-based violence.
- Developed partnerships with local businesses to support survivor services.
- Monitored community trends and needs to inform program development.
- Facilitated focus groups to gather input from survivors on service delivery improvements.
