Distinguished Gender-Based Violence Specialist with over ten years of extensive experience in addressing and mitigating the impact of gender-based violence within diverse communities. Expertise encompasses the development and implementation of comprehensive intervention programs aimed at empowering survivors and fostering sustainable change. Proven ability to engage stakeholders at multiple levels, including governmental agencies, non-profit organizations, and community members, to create inclusive frameworks that address systemic issues.

WORK EXPERIENCE

Senior Program Manager | Global Women's Rights Initiative

Jan 2022 – Present

- Led the design and execution of a multi-year strategic plan to reduce gender-based violence in conflict zones.
- Coordinated with local partners to implement community-based interventions that resulted in a 40% decrease in reported incidents.
- Facilitated training sessions for over 200 community leaders on effective response strategies and survivor support.
- Managed a \$2 million budget, ensuring optimal allocation of resources to high-impact areas.
- Conducted research to identify emerging trends in gender-based violence, influencing program adaptation and policy advocacy.
- Developed and maintained partnerships with international NGOs to enhance program visibility and funding opportunities.

Program Coordinator | Safe Haven Coalition

Jul 2019 – Dec 2021

- Implemented a citywide awareness campaign that reached over 10,000 residents, significantly increasing reporting rates of gender-based violence.
- Oversaw the establishment of a 24/7 helpline, providing immediate support to survivors and facilitating access to resources.
- Collaborated with law enforcement agencies to develop training modules on trauma-informed responses to victims.
- Monitored program outcomes, presenting findings to stakeholders to secure ongoing funding and support.
- Organized annual conferences that brought together over 500 professionals to discuss best practices and innovative solutions.
- Contributed to policy briefs that informed local government decisions regarding gender-based violence initiatives.
