

MICHAEL ANDERSON

GENERAL DENTIST

PROFILE

Results-oriented General Dentist with 8 years of experience in a fast-paced urban dental practice. I specialize in pediatric dentistry, ensuring a friendly and engaging environment for young patients. My experience includes performing routine check-ups, preventive care, and minor oral surgeries. I have developed strong communication skills that help ease children's anxiety and foster positive dental experiences.

EXPERIENCE

GENERAL DENTIST

Urban Kids Dental

2016 - Present

- Conducted routine dental examinations and developed individualized treatment plans for pediatric patients.
- Administered local anesthesia and performed restorative procedures with precision and care.
- Created educational materials for children and parents to promote good oral hygiene practices.
- Managed patient flow and appointment scheduling to minimize wait times and enhance patient satisfaction.
- Collaborated with orthodontists for comprehensive treatment plans for children with alignment issues.
- Implemented a patient feedback system that resulted in a 20% increase in positive reviews.

DENTAL INTERN

Children's Dental Health Center

2014 - 2016

- Assisted senior dentists with routine check-ups and procedures for pediatric patients.
- Educated children on the importance of dental hygiene through engaging presentations.
- Maintained a clean and organized work environment to ensure patient safety and comfort.
- Participated in community outreach initiatives promoting dental health awareness.
- Documented patient care and treatment plans in accordance with clinic protocols.
- Gained valuable hands-on experience in managing pediatric dental emergencies.
