MICHAEL ANDERSON

GENERAL DENTIST

Compassionate and detail-oriented General Dentist with over 15 years of experience focusing on geriatric dentistry. My practice emphasizes the unique dental needs of older adults, helping them maintain oral health and quality of life. I have a deep understanding of the complexities of treating patients with multiple health conditions and medications.

PROFESSIONAL EXPERIENCE

Senior Smiles Dental Practice

Mar 2018 - Present

General Dentist

- Provided comprehensive dental care tailored to the unique needs of elderly patients.
- Conducted thorough assessments and developed customized treatment plans considering patients' health conditions.
- Performed restorative and surgical procedures with a focus on patient comfort and safety.
- Implemented a follow-up system that improved post-treatment care and satisfaction by 40%.
- Collaborated with healthcare providers to ensure holistic care for patients with chronic conditions.
- Led workshops on oral health for seniors, enhancing community awareness and engagement.

Geriatric Health Clinic

Dec 2015 - Jan 2018

Dentist

- Assisted in the diagnosis and treatment of dental conditions in elderly patients.
- Maintained detailed records of treatment plans, progress, and outcomes for senior patients.
- Educated patients and caregivers on oral hygiene practices specific to older adults.
- Coordinated care with multidisciplinary teams to address complex health issues.
- Performed extractions and restorative procedures with care and precision.
- Participated in research on the impact of oral health on overall health in aging populations.

ACHIEVEMENTS

- Published a paper on the impact of oral health on the quality of life in seniors.
- Implemented a patient care program that reduced dental anxiety in elderly patients by 50%.
- Received recognition for outstanding service to the elderly population from the local health department.
