MICHAEL ANDERSON

COMMERCIAL ELECTRICIAN

Dynamic General Electrician with over 6 years of experience specializing in commercial electrical systems. Demonstrates a comprehensive understanding of electrical codes and safety regulations, combined with hands-on expertise in installation, maintenance, and repair of electrical systems. Known for exceptional attention to detail and a proactive approach to problem-solving, ensuring high-quality workmanship and client satisfaction.

PROFESSIONAL EXPERIENCE

Premier Electrical Solutions

Mar 2018 - Present

Commercial Electrician

- Installed electrical systems in commercial buildings, ensuring code compliance.
- Conducted troubleshooting and repairs on electrical equipment.
- Collaborated with architects and contractors on electrical layout designs.
- Performed routine maintenance on electrical systems to prevent failures.
- Provided exceptional customer service to clients throughout project lifecycle.
- Maintained accurate records of installations and repairs performed.

Local Electric Co.

Dec 2015 - Jan 2018

Electrician Apprentice

- Assisted in the installation of residential and commercial electrical systems.
- Shadowed experienced electricians to learn best practices and techniques.
- Participated in safety training and compliance workshops.
- Helped troubleshoot electrical issues under supervision.
- Maintained tools and equipment in safe working condition.
- Documented work performed and materials used for training purposes.

ACHIEVEMENTS

- Completed over 200 successful electrical installations with zero safety incidents.
- Received commendation for outstanding customer service in 2022.
- Improved team efficiency by implementing new workflow processes.
