

MICHAEL ANDERSON

Primary Care Physician with Mental Health Focus

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

Motivated General Medical Doctor with a focus on mental health integration in primary care and over 4 years of experience in a community health setting. My career has been dedicated to bridging the gap between physical and mental health, recognizing the importance of holistic treatment approaches. I have worked extensively with patients dealing with co-occurring disorders, ensuring comprehensive care that addresses both medical and psychological needs.

WORK EXPERIENCE

Primary Care Physician with Mental Health Focus | Community Health Services

Jan 2022 – Present

- Provided integrated care for patients with both medical and mental health concerns.
- Implemented mental health screening tools during routine patient visits.
- Collaborated with mental health professionals to develop comprehensive treatment plans.
- Educated patients on the importance of mental health in overall well-being.
- Engaged in community outreach to raise awareness about mental health services.
- Participated in continuous education to enhance skills in mental health care.

Resident in Psychiatry and Family Medicine | Metro Health Center

Jul 2019 – Dec 2021

- Completed rotations in both psychiatry and family medicine to gain a holistic view of patient care.
- Assisted in managing patients with complex mental health and medical conditions.
- Participated in case conferences to discuss treatment strategies.
- Engaged with patients to foster a supportive therapeutic relationship.
- Learned to navigate mental health resources and referral processes.
- Contributed to quality improvement initiatives focused on mental health care.
